

Laura from Beverley Festival is looking for **'Festival Weekend Helpers'**

Every June, **thousands of people flock to Beverley to enjoy this festival** (now 27 yrs old) and what it has to offer – As well as the Folk element, it has Americana music, Comedy, Spoken Word, Workshops, Real Ale bars, Craft Stalls, Camping and LOADS MORE

Dates this year are: Fri 18 to Sun 20 June 2010

By being a 'Weekend Helper', you are sure to ...

- Meet new people
- Learn new skills
- Have a thoroughly enjoyable weekend

Plus you will be supporting this long running East Riding festival and will be helping it continue to grow

So;

- Do you fancy meeting & greeting artists and supporting the Artist Liaison Team?
- Maybe you want to help out on the invaluable Infrastructure team & actually set up the festival site
- You could even be a steward on the **now famous** Wold Top Marquee and **spot the surprise artists** who take to the stage unexpectedly
- If you like sales, maybe you could try your hand on our Merchandise stall
- **Maybe you have event experience already** and you would like to lead your own team such as the Volunteer Check In Desk, Traffic or Campsite

The list really is endless; there are **SO many interesting things** you could be involved in.

In exchange for your help (*12 hours over the festival weekend - You tell us what days & hours you are available*)

You will receive a **FULL FESTIVAL WEEKEND PASS** (+ CAMPING if required) so when you aren't helping, you can go off and **enjoy the festival** even more!!!

If all this is of interest to you, go to www.beverleyfestival.com 'Get Involved' page to find out more.

You will also find the Volunteer form here. If completing, save to your computer first, complete it from there then send it back to laura.mills@beverleyfestival.com

But be QUICK as spaces are limited !!

Check out artists booked so far and who came last year

www.beverleyfestival.com

Thanks!
