0712.1 The meeting was opened by Cllr Logan who gave a brief outline of the proposals by Cemex and Npower. She then introduced John Whyatt of Cemex and John Porter of EDOOT (Elsham and District Opposition to Onshore Turbines).

0712.2 John Whyatt of Cemex gave an explanation of Cemex' proposals and the floor was opened for questions from the public, notes of which are available from the Clerk.

0712.3 John Porter of EDOOT made a PowerPoint presentation, a copy of which is also available electronically.

0712.4 Bruce Rowles, a landowner from Horkstow involved in the Npower scheme, then gave his views. The meeting became heated and he was asked to sit down and he asked that it be minuted that he felt this to be unreasonable.

0712.5 Members of the public were invited to ask questions of John Whyatt, John Porter and the Parish Council and discussion took place.

0712.6 Cllr Haddon proposed that the Cemex Planning Applications be voted on immediately though this was rejected as full information had not yet been received from both sides and a vote had not been agenda'd. **It was resolved** for a further Extraordinary Meeting to be held on Thursday 20<sup>th</sup> December to vote on the applications and to make comment on the Saxby Wold Scoping Report.

The meeting was closed.
