WARD NEWS FOR APRIL 2013

Low levels of crime in April

30 crimes were recorded in the Brigg and Wolds Ward in April 2013 (45 were recorded in March). 18 of these crimes were in Brigg town. Across the ward 20 incidents involved theft (including three motor vehicles), and seven involved assault. There were no domestic burglaries this month.

Other concerns addressed by the Brigg and Wolds Neighbourhood Police Team during April 2013

The greater proportion of the work of Neighbourhood Police Teams relates to public and individual needs and concerns that are not directly crime-related.

In April 2013, 176 concerns were responded to by the Brigg and Wolds team (considerably more than usual) as follows –

Concerns about property	20
Concerns about individuals and safety	36
Concerns about behaviour	70
Concerns about traffic	50

Individual incidents vary enormously in the amount of police time required to deal with them. In a good proportion of cases people's legitimate suspicions and concerns prove to be unfounded.
