Doorstep callers on behalf of charities – how to give safely

Large charities are increasingly using agencies to call house to house asking people to give by direct debit. Whilst it is always good to give, householders are encouraged to take sensible precautions.

A poster giving good advice has been produced by the charities and anti-fraud agencies. Please share it as widely as possible and display it as appropriate.

WARD NEWS FOR JUNE 2013

Lower level of crime in June

32 crimes were recorded in the Brigg and Wolds Ward in June 2013 (42 were recorded in May). 22 of these crimes were in Brigg town. Across the ward 8 incidents involved criminal damage, 10 involved theft and six involved assault. As last month there was just one case of domestic burglary – in Brigg.

Other concerns addressed by the Brigg and Wolds Neighbourhood Police Team during June 2013

The greater proportion of the work of Neighbourhood Police Teams relates to public and individual needs and concerns that are not directly crime-related.

In June 2013, 168 concerns were responded to by the Brigg and Wolds team as follows –

Concerns about property	22
Concerns about individuals and safety	23
Concerns about behaviour	70
Concerns about traffic	53

Individual incidents vary enormously in the amount of police time required to deal with them. In a good proportion of cases people's legitimate suspicions and concerns prove to be unfounded.
