WARD NEWS FOR JULY 2014

Crime total in July is well below average

34 crimes were recorded in the Brigg and Wolds Ward in July 2014, of which 21 were in Brigg town. The average monthly total is around 43. There were 10 incidences of theft and two of 'making off without paying' from petrol stations. There were 3 burglaries (one in a dwelling), 6 offences involving criminal damage and 10 incidents where there was assault or harassment.

Other concerns addressed by the Brigg and Wolds Neighbourhood Police Team during July 2014

The greater proportion of the work of Neighbourhood Police Teams relates to public and individual needs and concerns that are not directly crime-related.

In July 2014, 189 concerns were responded to by the Brigg and Wolds team as follows –

Concerns about property	25
Concerns about individuals and safety	23
Concerns about behaviour	78
Concerns about traffic	63

Individual incidents vary enormously in the amount of police time required to deal with them. In a good proportion of cases people's legitimate suspicions and concerns prove to be unfounded.

No Parking Cones at Village Events

In the past, Humberside Police have been able to provide parking cones to help avoid traffic congestion at village shows and events. Under new arrangements, event

organisers are asked to contact North Lincolnshire Council to facilitate this in future. Police will no longer be able to assist in placing cones at non-Police Incidents.

New campaign to protect sheds and outbuildings from burglary

The North Lincolnshire Safer Neighbourhoods team will shortly be contacting Parish Councils to promote a new campaign encouraging people to protect property stored in sheds and outbuildings. Burglary on this type of property is not increasing, but every incident can cause distress and loss to the victims. Shed alarms, the marking of cycles and the use of 'Immobilise' (www.immobilise.com) can all help protect property and aid its recovery if stolen. Please have a look on the web site if you have time. Anything with a serial number can be recorded.
