Other concerns addressed by the Brigg and Wolds Neighbourhood Police Team during September 2015

The greater proportion of the work of Neighbourhood Police Teams relates to public and individual needs and concerns that are not directly crime-related.

In September 2015, 132 concerns were responded to by the Brigg and Wolds team as follows –

| | |
|---------------------------------------|----|
| Concerns about property | 15 |
| Concerns about individuals and safety | 8 |
| Concerns about behaviour | 61 |
| Concerns about traffic | 48 |

Individual incidents vary enormously in the amount of police time required to deal with them. In a good proportion of cases people's legitimate suspicions and concerns prove to be unfounded.
