

Brigg Neighbourhood Team

Brigg and Wolds Ward

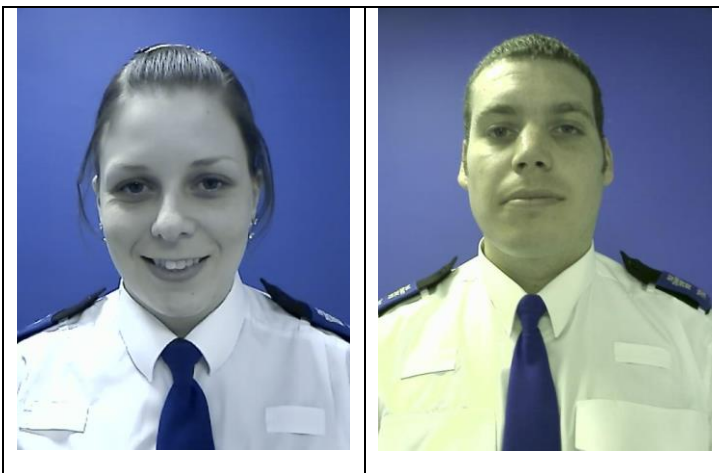

I would like to take the opportunity to introduce you to the Neighbourhood Policing Team covering your area.

We have been fortunate enough to receive extra staffing and the team covering Brigg and Wolds has been expanded to include the following staff members:

Pc 926 Rob Armstrong

PCSO 7760 Lisa Bogg

PCSO 7727 Lynsey Stamp

PCSO 7800 Rob Straker

My intention is for the PCSOs to have specific areas where they have a more direct responsibility, so although all of them and me will cover the whole area, there will be a point of contact in respect of each area.

PCSO 7800 Rob Straker will be covering South Ferriby and Low Villages.

Our current issue in respect of the area is that of bogus callers and tradesman taking advantage of vulnerable people. Although there have been no actual crimes committed that we are aware of, there have been a few calls which have caused concern, and we wish to reiterate to people that they should call us whenever they feel suspicious about a caller/

There have also been issues raised re parking. This is something that we have been keeping an eye on, but we can only deal with motorists who are committing offences. Where offences are committed, we will deal with them.
