140518/1 **Minutes of Previous Meeting**

The Minutes of the Annual Parish Meeting held on 8th May 2018 were duly approved and signed. Proposed: Cllr Cecil-Purvis, Seconded: Cllr Fisher.

140518/2 **Matters Arising**

None.

140518/3 **Chairman's Report**

Councillor Roy Holloway, Chair of South Ferriby Parish Council, made a brief presentation on the work of the Council in the previous year (see attached).

Cllr Holloway wished to give special mention to Cllr Mouncey for all his hard work on the village flower beds and thanked all members for their hard work too over the last year, for example on the flood defence works.

140518/4 **Public Comment**

Resident raised concern about the notification of the Definitive Map Modification (Byway Open to All Traffic 1, South Ferriby and Horkstow) Order 2016(1)" by NLC.

Cllr Holloway advised that he had been in contact with the Public Right of Way Officer at NLC who advised that residents will not notice any difference. Since the Enclosure Act was passed a few hundred years ago, the road has been officially known as Caistor Road and hence it has never been shut to traffic. It needed to be made into a Byway Open to All Traffic (BOAT) officially. No trees will be removed nor will the surface be tarmac'd. It is purely a change in the definitive map. Signage will change in due course.

Ward Cllr Waltham provided an update from NLC. See Appendix A.

The meeting closed at 7.10pm.
