### 090718/2 Declarations of Interest

Cllr R Holloway      Agenda Item 16(i&ii)      Personal      Committee Member

Cllr A Fisher      Agenda Item 16(ii)      Personal      Committee Member

No dispensations given to any member of the council in respect of the agenda items.

### 090718/3 Minutes of Previous Meeting

The minutes of the meeting held on the 11<sup>th</sup> June 2018 were approved by members and signed by the Chairman.

Proposed: Cllr Fisher, seconded: Cllr Sibson.

### 090718/4 Reports from Ward/North Lincolnshire Councillors

None present.

### 090718/5 Highways & Footpaths

- Low Street, from Skinners Lane to School Lane, is in a poor condition but hasn't been marked up for NLC remedial works. Cllr Holloway will liaise with Ward Cllr Waltham.
- Abandoned cars still in car park. Clerk to chase update.
- Give Way sign by Mount Pleasant, High Street is still bent.

### 090718/6 Police Matters/NAT

- Town and Parish Liaison meeting with Police and Crime Commissioner, Keith Hunter (26<sup>th</sup> June 2018) – Cllr Holloway confirmed that Cllr T Cave from Worlaby PC had attended and written a brief report which can be found on the secure website.
- The Low Villages Forum has discussed obtaining speed monitoring equipment, such as that being used in the 3-week trial in Thornton Curtis. Data from the trial is being analysed and it is hopeful that the low villages will be able to proceed with something similar.

### 090718/7 Cemex Liaison

- a) It is likely that there will be some movement of clay earmarked for the flood defence project, although this is not a done deal. There was a brief visit from the UK Chief Executive, but Cllr Haddon did not get the opportunity to meet him. There seems to have been little progress with the new offices.

Cllr Mouncey confirmed that the school will receive practical assistance in the form of their 'helping hands' programme. Further details to follow.

- b) The Cemex report and updated contact list was approved by members and signed by the Chairman.

Proposed: Cllr Haddon, seconded: Cllr Wilford.

## 090718/8 Environment Agency

- Cllr Haddon confirmed that she had been preparing for the EA Community Engagement event tomorrow. The final slides look promising. After the event Cllr Haddon suggested that the PC draft a letter (draft version to be circulated to members for approval).
- Post event, focus remains on raising the outstanding funds.
- The original scheme has been abandoned due to concerns over bank erosion as any works undertaken have to last 20 years. It has therefore been resolved to create a new bank.
- It is not possible to use rock to shore up the bank as this would be too costly. Additionally, it would be impossible logistically to get the rocks there due to the size of the transportation vessel and the capacity of the estuary to carry such a ship.
- The Project Manager has a good understanding of what needs to be achieved.
- Meetings have been held with landowners.
- South Ferriby's defences cannot be compared with those in Paull and Hull due to the disparity in the economic weighting of the areas.

## 090718/12 Beaulah Park

- a) Cllr Fisher reported on the monthly inspection of the playground equipment. The new play equipment issues were still unresolved. Cllr Mouncey confirmed that the problems (new panel, aerospeed, hydraulic butterfly) had been reported to Proludic who will action ASAP.

Much of the play area surface is in poor condition. Cllr Mouncey obtained a quotation from Proludic's subcontractor who quoted circa £50 per m<sup>2</sup>, with a 140m<sup>2</sup> requirement. This totals approximately £7000.

Enquiries will be made to assess whether the areas can be repaired rather than replaced.

- b) The official opening – A weekend in August 2018 and it was agreed to give Andrew Percy MP first refusal to attend. Clerk to contact.

## 090718/13 Playing Field

Cllr Holloway advised that a complaint had been received regarding the length of the grass. BUJFC advised that they would cut one more time, however, they no longer want to use the facility. There may be another team interested in using it though.

## 090718/14 Grounds Maintenance Contract/Open Space Management

- a) Village flower beds update and additional float for Cllr Mouncey – 3 new flower beds have been created. Unfortunately, plants have been stolen and signs ripped up (likely to be from the River Ancholme swimmers visiting the village).

It was agreed to top up the float by £328.41 (overspend last month of £228.41).

Proposed: Cllr Fisher, seconded: Cllr Bennett

Flowerbed finance update:

- b) Update from Cllr Mouncey following the East Midlands in Bloom 2018 judging on the 4<sup>th</sup> July 2018 – judging lasted over 2 hours. The judges commented on how difficult it is, planting wise, to join the main village to Ferriby Sluice. They were impressed with the butterflies and amazed by the watering system. They also complimented Cllr Mouncey's young assistant Jess. There is a presentation event in September. The school will be judged on Wednesday this week.
