WARD NEWS FOR JULY 2013

Crime levels in July show sudden spike

55 crimes were recorded in the Brigg and Wolds Ward in July 2013. 36 of these crimes were in Brigg town, including a spate of 12 shop thefts. Across the ward 8 incidents involved criminal damage, 37 involved theft or attempted theft (10 of these were burglaries, of which 4 were domestic), and eight involved assault or other interpersonal offences.

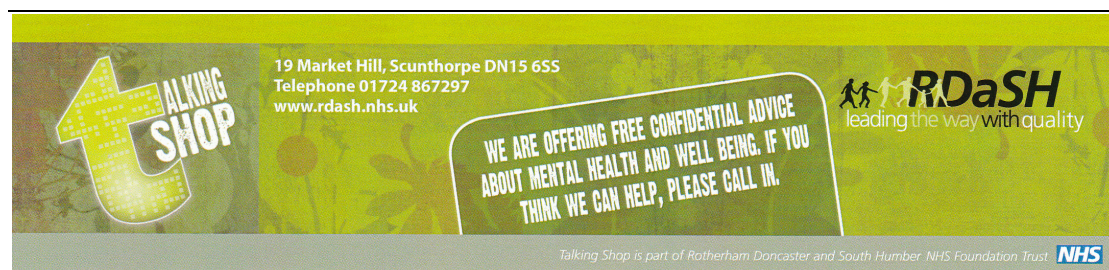

Other concerns addressed by the Brigg and Wolds Neighbourhood Police Team during July 2013

The greater proportion of the work of Neighbourhood Police Teams relates to public and individual needs and concerns that are not directly crime-related.

In July 2013, 191 concerns were responded to by the Brigg and Wolds team as follows –

Concerns about property	17
Concerns about individuals and safety	28
Concerns about behaviour	76
Concerns about traffic	70

Individual incidents vary enormously in the amount of police time required to deal with them. In a good proportion of cases people's legitimate suspicions and concerns prove to be unfounded.
