### Other concerns addressed by the Brigg and Wolds Neighbourhood Police Team during February 2014

The greater proportion of the work of Neighbourhood Police Teams relates to public and individual needs and concerns that are not directly crime-related.

In February 2014, 140 concerns were responded to by the Brigg and Wolds team as follows –

Concerns about property	10
Concerns about individuals and safety	13
Concerns about behaviour	48
Concerns about traffic	69

Individual incidents vary enormously in the amount of police time required to deal with them. In a good proportion of cases people's legitimate suspicions and concerns prove to be unfounded.
