There were 6 incidents of assault, 10 involving criminal damage and one offence of growing a cannabis plant.

Other concerns addressed by the Brigg and Wolds Neighbourhood Police Team during March 2015

The greater proportion of the work of Neighbourhood Police Teams relates to public and individual needs and concerns that are not directly crime-related.

In March 2015, 136 concerns were responded to by the Brigg and Wolds team as follows –

Concerns about property	12
Concerns about individuals and safety	16
Concerns about behaviour	52

Individual incidents vary enormously in the amount of police time required to deal with them. In a good proportion of cases people's legitimate suspicions and concerns prove to be unfounded.
