South Ferriby Parish Council

Hello and welcome and thank you for attending our AGM

This past year has again, I feel, seen us move forward as a PC with more contact and communication with all the groups in and around our village, from football to the queens jubilee celebrations and the many other issues that arise each month at our meetings to the more mundane such trying to keep our street lights working and of course our old favourite of dog fouling.

We have completed the contract with BJFC and they are now using the football field regularly although we have had one or two issues raised by members of the parish, and these need to be addressed, I think overall it is working very well.

Our close contact carries on with CEMEX and I would like to thank Cllr; Sara Haddon and Cllr; David Mouncey for all the work they do as our representatives at the works meetings. I am sure council will agree it is an ongoing and growing benefit to our community/village and one we should maintain. We will I am sure still get dust/nuisance reports about the works but we will continue to monitor them and take appropriate action as required when they arise.

We also continue our association with the LVF and I hope we will continue with that as I believe it can be a useful conduit for the future of the low village's the Wolds and Ancholme valley.

I would like to take this opportunity to thank our personal committee who under the guidance of Cllr; J Bonham managed to find a replacement for Angela Grounds (our previous clerk) Although Louise is very new to the job I have so far found working with her very stress free (long may that continue) and I hope that she can manage to put up with us all for a considerable time.

Financially I am pleased that despite ever increasing costs we have managed to keep our precept demand the same ,for the 4th year running, and still finish the year on sound financial footing and hopefully we can continue this over coming year.

We do still have to broach a somewhat bigger project in guise of a neighbour plan, which will hopefully give us and the village some say in the development in and around our village. I am sure there will be others and although we start this year again with not a full council I have feel confident in our abilities to meet any challenges that may come our way over the next year

South Ferriby Parish Council

I would like, on behalf of the parish council, express our gratitude to all the people in the village who have been involved with the events / work and projects during in the last year hopefully together we can continue with the good work .

I would like to close by thanking all the members of the council for all their dedication and hard work given freely throughout the year, and of course our new clerk, Louise, for her hard work in last few months getting up to speed with local government.

Thank you

R A Holloway
Chair SFPC
