Mr Vic Leaning commented that the recent work to the footpath at the High Street/Sluice Road junction has not sufficiently extended it. Furthermore he has an issue with regards to the verge near his house not being cut by North Lincolnshire Council. He was advised by the North Lincolnshire Council worker cutting the other verges that it was not on his list to maintain.

Thank you to all who have found time to attend our AGM

It hardly seems to be possible that it is a year since I presented my last report and was thanking the council for all the hard work they had done in the previous year and was welcoming Louise to her first AGM. However a year it has been and here we are again.

We started the year on a good even keel with a good council, a good clerk, a good bank balance and looking forward to a pretty normal (if that is possible) year ahead. What we didn't realise was that the events of Dec 5<sup>th</sup> were to test our capabilities as a PC to the limit and beyond.

I am sure that everyone still has vivid memories of that particular night and the days that followed and would like to take this opportunity to thank each and every member of the parish and surrounding parishes who came to help over that period and are still helping to get SF back to normal.

I am very proud of how PC reacted and how heavily involved they became with everything on and around the Dec 5<sup>th</sup>.

The PC still remains the centre of the recovery work been done from dealing with utility companies, to offering guidance and help to anyone who asks and to raising over £100 k for the flood relief fund.

The members of the PC, and of course our clerk, have been outstanding and deserve recognition for all the hours and hard work that has helped, and is still helping, our community get back on its feet.

There are times when people ask you what does the parish council do for us, I would like to think that some can now look back over the last few months and say that sometimes we can be pretty useful!

We continue our close relationship with Cemex with thanks to Cllr's S Haddon and D Mouncey for their work and time on the liaison committee and I hope this will continue in the future. We also keep our relationship with the Low Village's Forum and hopefully will continue working with them to help maintain and protect our area of the Wolds and Humber.

## **South Ferriby Parish Council**

I am sure over the coming year the PC will continue to work for and support the village to the best of its ability.

I would like to offer my personal thanks to all members of the PC for once again putting the village of South Ferriby in the forefront of their thoughts in what has been a very trying period and hope the coming year may be somewhat more peaceful for all.

Many thanks for support you have given me over the last year.

Chair SFPC
