26/27-1004	Report from Ward Councillors Ward Councillors to update the Parish Council on activities within North Lincolnshire Council. Cllr Sherwood reported on the new national scheme of delegation for planning decisions which changes the planning rules and regulations from October 30th. It will mean that elected ward councillors will no longer be able to call applications into committee and if the Parish Council objects, it will also not go to committee as happens at present but will be delegated to officers. Larger developments (ie 9-150 houses) or controversial applications will be considered by committee. Cllr Waltham confirmed that he has arranged a meeting with the Environment Agency on Wednesday 14 October at 4.30 followed by one with Highways at 5pm. He is also setting up a meeting with the Police and Safer Neighbourhoods. Villages are being issued with a free pressure washer. The recent drop-in was attended by 10 householders who were able to access various information such as window alarms. Martin Vickers MP also attended. Packs for anyone in need were made available.

	<i>Cllr Waltham asked about the Speed Indicator Device and was told that grant applications had been sent to the PCC and NLC. The Parish Council will pay 10%.</i>	
26/27-1005	Police Matters To discuss and update any Police matters. None	
26/27-1006	Highways and Footpaths a) To update the following highways issues: i) NLC inspection of roads and footpaths <i>This will be discussed at Wednesday's meeting with NLC</i> b) To discuss any other highways/footpath issues and agree any action <i>A letter had been received from Barton Town Council regarding a travel link between Barton and South Ferriby using the existing track and applying for sections not recorded at present to be added to the definitive map, also asking landowners to maintain it</i> <i>After some discussion it was</i> <i>Resolved: To point out that the proposed track is already well used by horse riders and cyclists and particularly by walkers who bring trade into the village. Serious concerns were expressed about electric bikes – there needs to be clarification on their use.</i> <i>Cllr Waltham said that when NLC receive money from the new Data Centre in 2030, they will spend it on village connectivity and it should be possible to provide a suitable route within the next five years.</i> i) Parking on Andrew's Road and Sluice Road pavements <i>Cars are parking on the pavement on Sluice Road and not allowing space for pushchairs etc to pass. The clerk will send a photo to NLC.</i> ii) Weight limit School Lane/Beulahland <i>A resident had enquired whether this was possible following difficulties an HGV driver experienced while delivering in the area.</i> <i>It was felt that this was not feasible as Beulahland is a private road and if HGV's have a delivery to a road with a weight limit they are still allowed to use it.</i>	AB
26/27-1007	Planning PA/2026/1053 arrived after the agenda was published but as the deadline for comments is before the next meeting, it was considered. The application was to vary conditions to enable the continuation of tipping of cement kiln dust to 8 th November 2029 and restoration of the site by 8 th November 2030. <i>Resolved: To offer no comments</i>
