There were no matters arising.

AM23/24 –0503 **Chairman's Report**

- a) Councillor Roy Holloway, Chair of South Ferriby Parish Council made a brief presentation on the work of the Council over the previous year, and outline some of the works and projects planned for the next year.

Once again, we have reached our year end as a PC, somewhat later than normal due to affairs of the state, and as required I have put together a brief report of the last year.

Along with all the normal tasks carried out by our PC we have managed to, (hopefully to enhance our community), be involved and supported as many groups and events as possible, from the Queen's Diamond Jubilee celebrations, then much sadder her passing and finally the coronation of our new King Charles the 3rd. The past year will be remembered for these occasions, along with the war in Ukraine, more than anything.

We have provided a commemorative flagpole, which I hope will get regular use, and planted some 300 primroses and other plants in the play area to mark these occasions.

The PC lost two of its long-standing members as Cllrs Alan Fisher and Cllr Sara Haddon stepped down, they will be greatly missed at future meetings, and I would like to thank them both for their support and hard work put in over the past years.

Going forward, the PC will of course carry on with the more mundane tasks required, along with other projects which are already in the pipeline, the replacement of some of the play area equipment, getting the Bowls club agreement in place, and the continuing support of the flower beds etc.

I would like to thank Holly for all the work she does for us and of course the Cllrs who attend not just meetings, but all contribute to the running of the PC, many thanks to you all.

On a more personal note, you are all aware of my intentions to step down from the "Chair" this year and eventually the PC. I have thoroughly enjoyed my time as chair but feel the time is right for me personally to after 14 years as chair to step aside. Hopefully we can find a new chairperson to guide the PC forward.
